

TVS Motor Company - Championing progress through mobility since 1911

The flagship of the TVS group of companies - TVS Motor Company is one of India's leading two & three-wheeler manufacturers. With manufacturing plants in Hosur (near Bangalore), Mysore, Himachal Pradesh and Indonesia, it has the largest portfolio of vehicles and caters to the widest segment of customers. We understand needs of our customers across different segments and engineer solutions around them.

While innovation is at the forefront of everything we do, at the very core are deep-rooted customer insights. We are the world's first and only two-wheeler manufacturing company to win the coveted Deming Award for quality. With over 12000 employees in our family, TVSM has a production capacity of over 3.8 million vehicles and is actively present in over 60 countries worldwide.

The TVSM family.... driven by values

The TVSM family concept is structured around three building blocks of individual development which lead to nurturing of an all-round professional.

Learning – We believe that earning a university degree is just the first milestone in the life of an individual, who sets out on the pursuit of knowledge. An unwavering curiosity to learn is the fuel that will accelerate one's progress in this relentless journey.

Earning – As we progress through this journey, every milestone achieved and every summit scaled is worth celebrating, remembering, and rewarding.

Caring – Most importantly, we believe it is the responsibility of those with experience, to care for and share their wisdom with the aspiring many, by supporting and guiding them through their career journey.
