

**Position:** Jr NetSuite Functional Consultant

**Location:** Gachibowli, Hyderabad

**Work mode:** Work from office Monday - Friday 12 PM to 9 PM

**Compensation will be discussed with shortlisted candidates based on company standards and individual assessment.**

Zenardy is a technology consulting firm specializing in the implementation of NetSuite industry solutions, serving clients across diverse sectors such as Hi-tech, Food & Beverage, Manufacturing & Distribution, and General Business. Our expertise spans Cloud ERP, Oracle & NetSuite Implementation, CRM & HCM Solutions, Software Services, and Field Services Consulting. We are dedicated to helping businesses improve operational efficiency and drive growth by delivering tailored ERP and technology solutions that address each client's unique needs.

### **Responsibilities and Duties:**

- As a Functional Consultant, you will be an integral part of our team, contributing to the successful implementation and support of various Oracle projects.
- Collaborate with cross-functional teams to deliver effective solutions on implementation and support projects.
- Gain a deep understanding of client requirements and translate them into comprehensive business requirements and functional specification documents.
- Produce essential artifacts such as FRD documents, configuration documents, test scripts, and training materials to ensure a smooth and efficient project lifecycle.
- Actively participate in discussions and workshops to identify and address business process improvements and optimization opportunities.

### **Primary Key Skill Set:**

- Demonstrate strong communication skills, both written and verbal, to effectively convey complex ideas and solutions to clients and team members.
- Possess a robust theoretical foundation in finance and accounting principles, including an understanding of key concepts and industry best practices.
- Ability to articulate and present ideas clearly and concisely, fostering effective communication within the team and with clients.

### **Qualifications:**

- CMA Qualified.
- Graduate with B.Com/M.Com/MBA (Finance) with strong accounting knowledge.
- Prior exposure to Oracle NetSuite/Cloud ERP or similar enterprise systems is advantageous.
- Prior experience in Finance/Accounting is advantageous.
- Strong analytical and problem-solving skills.
- Proactive mindset with a keen interest in learning and adapting to new technologies.

- Eligibility Criteria: CMA Qualified
- CTC (per annum): 6 - 9 LPA
- Job Location: Hyderabad
- Number of Vacancies (tentative): 5
