Partners in our ecosystem

## Our purpose

To deliver on the promise of technology and human ingenuity, we embrace the power of change to create 360° value for our clients, people and communities.

We now work with 91 of the Fortune Global 100. As of 2020, we've made 18 consecutive appearances on the list of Fortune's World's Most Admired Companies; and that is just the beginning.

# What we believe

## Core values

Our values shape the culture of our organization and define the character of our company. We live the core values through individual behaviors. They serve as the foundation for how we act and make decisions.

---

## Ethics and corporate governance

Acting with ethics and integrity always has been and always will be the right thing to do.

---

## Our culture of equality

Accenture's commitment to our people and to accelerating equality for all has never been more relevant than it is today. We are committed to creating an inclusive and accessible workplace.

---

## Accenture in India
