

With a startup spirit and 90,000+ curious and courageous minds, we have the expertise to go deep with the world's biggest brands—and we have fun doing it. Now, we're calling all you rulebreakers and risk-takers who see the world differently and are bold enough to reinvent it. Come, transform with us.

Are you the one we are looking for?

We are inviting applications for the role of SAP Finance Functional Consultants, whom we will put them through intensive full time SAP Financials training and groom them in SAP Financials implementation/enhancement projects under the guidance of highly experience mentors.

Responsibilities:

- Study customer requirements on financial processes and map them in SAP.
- Analyze As-Is Processes and design the optimized To-Be Processes.
- Configure the system as per To-Be Process designed.
- Perform Design Validation and identify areas of improvement.
- Suggest and improve business processes.
- Prepare Training Material, SOPs etc.
- Prepare Test Scripts, perform Testing SAP functionality & configuration.
- Impart training to users on SAP Module

Qualifications we seek in you! Minimum qualifications:

- CMA with thorough knowledge in Finance & Accounting

Preferred qualifications.

- Professional, precise communication skills.
- Expert knowledge in Accounting and Business Process Flows.
- Ability to deliver under strict timelines.
- Good communication and customer facing skills.
- Good understanding of Finance functional modules.
- Tried capability in designing solutions and providing process consulting.
